WORLD ACA CONVENTION
April 22-24, 2016**

The World Service Organization (WSO) Board of Trustees cordially invites all ACA Groups and Intergroups to select one person to attend the 2016 **Annual Business Conference (ABC)** as their group ABC delegate. Only the selected group delegate will have voting rights at the ABC. To ensure voting status, group delegates are required to register for the ABC.

The WSO is also hosting the **Inaugural ACA World Convention (AWC)**. AWC attendees are also required to register.

In order to allow the WSO to plan and accommodate the delegates and conference attendees, the WSO Board has set a **registration deadline** for the Annual Business Conference (ABC) and ACA World Convention (AWC). The registration deadline for both the ABC and AWC is **March 25, 2016**.

The venue will have 34 rooms available. These rooms were reserved for the ABC delegates through February 15, 2016. On-site rooms will be available to anyone as of February 16, 2016. Additional accommodations are available in nearby hotels and motels. Delegates may consider sharing accommodations to save money and to maximize use of the on-site rooms. After February 16, 2016, the rooms will no longer be reserved for Group Delegates.

Dear ACA Members: If you have any questions about the ABC/AWC, **please call the WSO telephone number (310) 534-1815**.

We will return your calls promptly. Please be patient as we only have one part-time staff person and volunteers handling calls.

The Duncan Center Staff doesn't have any specific information as they are only renting their facility to us. We ask that you refrain from calling the Duncan Center.

Thank you for your interest and cooperation.

Sincerely,

ABC Liaison
