

# Delegate Training Subcommittee Report: May 2016

The Delegate Training Subcommittee was created out of the 2016 ABC.

Its purpose is to serve as a resource to help educate Delegates and Alternate Delegates of groups and Intergroups to the Annual Business Conference.

We will be meeting by teleconference and collaborative platform to help organize work groups on topics such as participating in a delegate educational workshop (prior to the ABC), concepts education, traditions education and outreach to groups/intergroups to encourage more annual participation at future ABCs to help meet this need.

If you are interested in learning more about being a delegate, helping educate delegates, participating in the workshop, please contact us at [dtsc@acawso.org](mailto:dtsc@acawso.org).

Laura L Chair,

Delegate Training Subcommittee of Member & Public Service
