

MPS STATISTICS REPORT –MAY 2016

ACA members accepting the call of service work provide the energy we need to do the good work of ACA around the globe. There could easily be 300 million adult children in the world, so the work ahead remains steady. But we make progress each day. p.536

Emails Received: 745

Emails Sent: 471

Vonage Voice Mails: 101

International connections made: Australia, Canada, Denmark, Ireland, Panama, and the United Kingdom

----- **Teamwork:** I thank the WSO and all the staff involved each day with assisting me with helpful information, feedback and the most helpful information in assisting all the Adult Children who reach out for us for assistance.

-----**From the fellowship:** Most common emails are about Finding Meetings, Meeting Issues, Meeting Changes, How to start New Meetings, and Literature Order Information. Most Voicemails are about Finding Meetings, Meeting Changes, Literature and Order Information.

There were many newcomers seeking ACA information this month.
