The ABC Committee coordinates the efforts of planning the Annual Business Conference and the ACA World Convention.

The Report for March, 2019

Submitted by Jim R., the ABC Committee Chair, April 13, 2019

HIGHLIGHTS FOR March:

- DELEGATE BINDER – Annual Committee Reports were received; New ‘Board of Trustees’ section was compiled; edited parts of the Delegate section. Two committees have been in correspondence; sent the 2018 Minutes and the Treasurer’s Report to Sweden for a printing test.
- DELEGATE TRAINING – Edited the Delegate Survey for the Binder; edited the materials for the Delegate section of the Binder. Remote voting ‘tests’ took place on Zoom. Delegate teleconference calls are planned for April.
- ABC PLANNING – Conversations with Fredrik in Sweden confirms that there are no pressing concerns. The planning is going as expected.

LOOKING AHEAD: A ‘review’ meeting is planned for the Monday morning after the AWC. The goal is to list the aspects, both successful and in need of improvement, which will be more fully reviewed in the coming months.
