## Official ACA Service Network

Looks simple...

Many meetings operate in isolation

# Service Structure Committee History

- 1) Formed in 2016, to assess whether ACA service structure can handle rapid growth
- 2) Made 8 recommendations to 2017:
  - a) More fellowship access to WSO
  - b) Reduce holes in the service structure
  - c) Service manual & other written guidance
- 3) Became a standing committee, named the Service Network Committee

# Service Network Exercise

- 4) At your table, discuss these three questions:
- a) Does your ACA group know how to run a business meeting, based on the Traditions?
  - b) Does your ACA group have an intergroup or other service body you can ask for help?
  - c) Name some ways that a more complete service network could help recovery in your area.
