Resource Spotlight

WSO Intergroups Subcommittee

The Members Services - Intergroups Subcommittee is reaching out to warmly say, "Hi." Whether or not it has been a while since you have communicated with WSO, we are inviting your input and future communications. World-wide ACA now has over 100 Intergroups. **Your Intergroup matters!!**

Our committee is beginning the process of gathering information from all the ACA Intergroups in the world so that we may make recommendations to WSO that will better serve its Intergroup Members. We will be sending a "Needs Assessment" survey to each Intergroup in the near future. The survey will ask how your Intergroup is doing and what your needs, desires, and/or concerns may be. If there are things the ACA organization could be doing to better serve your Intergroup we want to know!

This and other information (including our scheduled meeting times) was sent to all Intergroups in an [email introduction letter](#). If your Intergroup did not receive the email, please contact us at intergroups@adultchildren.org. We'd also like to welcome all interested to join us during our monthly conference calls. More information can be found on the [Intergroups Subcommittee page](#).

About Adult Children of Alcoholics (ACA)

ACA is a worldwide 12 Step / 12 Tradition program of recovery dedicated to people who were raised in dysfunctional families. ACA does not seek to assign blame to parents or caretakers, but we seek to understand the reality of how family dysfunctions affected us as children and still affects our adult behavior today.

Family dysfunction can include alcoholism, abandonment, neglect, or any type of addiction or abuse. ACA is synonymous with ACoA; Adult Children Anonymous; & Adult Children of Alcoholics and Dysfunctional Families.
