

Public Services Committee Report for August 2020

<https://acawso.org/category/public-information/>

- The committee monthly reports for 2020 have been created from the content presented at the monthly WSO TC meetings. These are now available on the service website.
- The committee is trying out a new date and time to meet. The 3rd Wednesday of the month at 12PM and again at 8PM Eastern, to support as many time zones as possible.
- A new goal of the committee is to get participation from at least 5 Intergroups from at least 3 different Continents by the end of the year.
- We will look at the trifolds similar to “emotional sobriety” done for AA, so we can raise awareness for the program in other 12 step programs.
- And look at the PSAs that were created and see how we can get them distributed.

Jim B. WSO PSC Vice Chair
