

## Sponsorship Shares

The Sponsorship Committee seeks shares for possible inclusion in the document we are writing. Please see an excerpt of the draft called “Connections: Giving and Receiving Support in ACA Recovery” posted on the wso website by the Sponsorship Committee:

Some of the questions below may be helpful in forming your share.

Tell us about your experience of working the ACA program with support from an individual or group.

Have you had or been a sponsor, a fellow traveler, or part of other support, such as group studies?

How has support from an individual or group positively contributed to your ACA recovery?

What kind of program work have you done with a supporter?

Tell us about any problems you have had and how you overcame them or not.

Please submit your share to [literature@acawso.org](mailto:literature@acawso.org) and title your submission “Sponsorship Share”
