Treasurer's Corner

Dear Fellow ACA Members,

First off thank you for stepping up and supporting WSO in December during our **7 for the 7th** campaign to celebrate ACA's 43rd birthday in January. We received a record amount of contributions that were very much needed.

The WSO Board is putting the finishing touches on the 2021 Budget and we have optimistically set the 7th Tradition contributions 20% higher than last year to meet all of the fellowship programs and work being planned for 2021. In order to accomplish this we will need about the same level of support from everyone as was contributed in December. Thank you in advance for stepping up and helping spread the ACA message around world to those in need of our program.

About Adult Children of Alcoholics (ACA)

ACA is a worldwide 12 Step / 12 Tradition program of recovery dedicated to people who were raised in dysfunctional families.

ACA does not seek to assign blame to

parents or caretakers, but we seek to understand the reality of how family dysfunctions affected us as children and still affects our adult behavior today.

Family dysfunction can include alcoholism, abandonment, neglect, or any type of addiction or abuse. ACA is synonymous with ACoA & Adult Children of Alcoholics and Dysfunctional Families.
