### About Adult Children of Alcoholics (ACA)

ACA is a worldwide 12 Step / 12 Tradition program of recovery dedicated to people who were raised in dysfunctional families. ACA does not seek to assign blame to parents or caretakers, but we seek to understand the reality of how family dysfunctions affected us as children and still affects our adult behavior today.

Family dysfunction can include alcoholism, abandonment, neglect, or any type of addiction or abuse. ACA is synonymous with ACoA & Adult Children of Alcoholics and Dysfunctional Families.
