<p>2021-2</p>	<p><i>We propose that WSO add page numbers to the Kindle edition of the Big Red Book that correspond to the pages in the print edition.</i></p>	<p><u>Motion</u> (Charlie, Sharon Seconded): To revise or develop Amazon Kindle editions of ACA literature so that they correspond to the same page in hard copy publications.</p> <p><u>Background</u>: This would enact ABC Ballot Measure #2, which calls for this paging system in the BRB, and apply it to Amazon Kindle editions of all ACA literature. This paging system will make it easier for meeting attendees to find the same place in literature regardless of which format they are using. WSO is working with professional help to accomplish this within the challenges of the software.</p> <p><u>Results</u>: All in Favor</p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>
<p>2021-11</p>	<p><i>We propose that WSO consider setting up an ACA International Literature Scholarship fund for members who cannot afford ACA literature due to the price of the literature in their local currency, the exchange rate for their currency against the dollar, or due to their individual financial constraints.</i></p>	<p><u>Motion</u> (Charlie, Sharon Seconded): To establish an International Literature Scholarship Fund, to which members may make dedicated contributions.</p> <p><u>Background</u>: The availability of affordable ACA literature is essential to helping new fellowships get launched. But as ACA continues to grow globally, many countries struggle to purchase affordable literature, especially when they are first getting established and local delivery channels and/or printing solutions</p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>

<p>2021-16</p>	<p><i>We propose that WSO create an International Literature Scholarship Fund to help offset literature costs for meetings in emerging countries.</i></p>	<p>have not been developed. The International Literature Scholarship Fund would enable ACA members to directly support new international fellowships, by donating money to support literature purchases.</p> <p><u>Results:</u> All in Favor</p> <p><u>Passed at:</u> Board Working Session meeting on 4/1/21</p> <p><u>Documentation Link:</u> https://acawso.org/2021/04/08/april-10-2021-aca-wso-teleconference-agenda/)</p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>
<p>2021-17</p>	<p><i>We propose that the Annual Business Conference (ABC) grant a representative from the proposing group of each ballot item (on the agenda) 3 minutes to speak to its meaning, intent, and importance. This would occur after the initial reading of the item but before general comments begin.</i></p>	<p><u>Motion</u> (Charlie, Sharon Seconded): To amend the ABC ballot process so that a measure’s sponsoring group is given up to 3 minutes to introduce a ballot measure before delegates begin group conscience discussion.</p> <p><u>Background:</u> At present, the only explanation of ballot measures is the written forms that sponsors fill out for the fellowship ballot voting process. Starting ballot discussions with a brief introduction by sponsors could give delegates greater context about a measure’s intended purpose, and the problem it seeks to address, before group discussion begins.</p> <p><u>Results:</u> All in Favor</p> <p><u>Passed at:</u> Board Working Session meeting on 4/1/21</p> <p><u>Documentation Link:</u> https://acawso.org/2021/04/08/april-10-2021-aca-wso-teleconference-agenda/)</p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>

<p>2021-18</p>	<p><i>We propose that the Annual Business Conference (ABC) and the ACA World Convention (AWC) should occur annually with live online access to the International fellowship. This proposal should be included in the Operating Procedures & Planning Manual (OPPM).</i></p>	<p><u>Motion</u> (Charlie, Sharon Seconded): To amend the OPPM to clarify that virtual Annual World Convention programming will be made available in conjunction with any live, in-person AWCs. This would include opening and closing ceremonies, major in-person talks, and a mix of in-person programming and offsite workshops to reflect the fellowship’s international fellowship and character.</p> <p><u>Background</u>: As a result of Covid-19, the 2020 and 2021 AWCs have been entirely virtual. The benefits have been significant: More ACA members can participate if travel costs are not required; AWC participation appears to be jump-starting international fellowships; and both international and North American members reported an increased sense of global fellowship after the 2020 AWC. This also puts the AWC on a par with the Annual Business Conference, by making virtual participation available. For logistical reasons, in-person and virtual program may differ in specific respects but will address the same overall recovery themes.</p> <p><u>Results</u>: All in Favor</p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>
<p>2021-15</p>	<p><i>We propose that the ACA fellowship approve the Global Members Subcommittee as a Standing WSO Committee.</i></p>	<p><u>Motion</u>: (Jim, seconded by Sharon) To make Global Members a standing committee immediately and over the next year look at how the Members Committee and its subcommittees, the European Committee and Regions can be organized to support members globally</p> <p><u>Results</u>: Results: 9 in Favor, 1 Against, 1 Abstain</p> <p><u>Passed at</u>: Board Working Session meeting on 4/22/21</p> <p><u>Documentation Link</u>: <i>documentation forthcoming for 5/8 monthly Board telecon</i></p>	<p>Delegates deem RESOLVED, Removed from Agenda</p>
