June report

During June, we focused on completing the process prior to the launch of the Loving Parent Guidebook.

This has meant many and frequent meetings with the Publishing Committee, internally and also with other relevant Committees.

In June, an email was finally sent to all IGs in Europe about how they should proceed to order the new book.

We hope that this will mean that more IGs around Europe in a simpler and cheaper way will have access to literature also in English.

The process towards The Fellowships in Europe forming a Region is ongoing. It has now been decided to initially have at least one meeting per month on the region alone and that it will be a standing item on all our agendas.

In addition, planning for the 7th European Annual Event has also begun.

If you are interested in participating in planning or as a speaker, you are welcome to contact us in the Committee.

The Committee is involved and highly active in the new Publishing Committee to be involved and influence how the development takes place in terms of printing and distribution of literature for the whole world.

If you want regular updates on what is going on in Europe, visit our website and register for the newsletter at the bottom of this page:
