### **September report**

We are currently working on the European Annual Event that will take place in Vilnius Lithuania.

The European Committee has a tradition for placing the annual event in countries that have finished translation or have just published the BRB. The Lithuanian fellowship turned in their BRB translation in the spring.

The manuscript was then approved in the Translation Committee and is now awaiting layout to begin in the Publishing Committee.

This year's event will be a hybrid in the sense that the EC is making a virtual speaker event from a conference room in Vilnius that will include speakers from the European intergroups and Bonnie speaking about the LPG. Sunday the EC will be meeting with the Lithuanian intergroup, probably both for a workshop and social time. And we look very much forward to that.

Over the spring and summer we have had meetings about the formation of a European ACA Region, and interest seems to be growing in the European intergroups. These regular meetings however are on hold until we have held the European Annual Event on the 23-24th of October.
