Dear ACA Group Rep,

ACA World Service received 13 Proposals in response to the *Request for Proposals* that was sent to all groups (meeting, Intergroups and Regions) in August. These Proposals have been reviewed by WSO (the Board and appropriate Committees) and an analysis was added for each one.

Your group is now asked to review and discuss the Proposals, and submit a Ballot with your group conscience votes.

Copies of the Proposals in three languages may be downloaded from our website page (English, Polish and Swedish): <https://acawso.org/category/ballot-prep/>. Other pertinent information is also posted there.

To aid your group's discussion, two 90-minute Workshops will be held on the following dates and times:

1. Saturday, January 22<sup>nd</sup>, 9 pm ET
2. Sunday, January 30<sup>th</sup>, 10 am ET

During these Workshops, the Proposal submitters will have the opportunity to give more information about their Proposals, and Attendees will be given the opportunity to ask questions.

Both Workshops will be recorded and made available on our website page noted above. Each Proposal will only be presented at one of the Workshops. A schedule of which Proposals will be discussed at which Workshop will be available on our website page as soon as we know the lineup.

When online voting begins in February, an email will be sent to you with more information.

If we can be of any assistance, please email the committee at [bpc@adultchildren.org](mailto:bpc@adultchildren.org).

Thank you for your participation in helping to shape the future of ACA.
