**Mission Statement:** To address safety issues related to virtual meeting environments during the coronavirus pandemic, and develop a long-term strategy and potential resources to help the ACA fellowship effectively address other chronic safety issues.

This Ad Hoc committee meets monthly to coordinate efforts of its subcommittees and discuss their activities. Representatives of the Service Norms Subcommittee and Virtual and Phone Meeting Subcommittee, and Healthy Meeting Checklist working group attended with reports. The full subcommittee reports may be found on their webpages.

### Subcommittee Reports:

**Service Norms** has continued working on their document and foresee finalizing and submitting to the full MSSC committee for review very soon.

**Virtual/Phone Subcommittee** is continuing to develop their document titled, "Action coming from Love." This subcommittee also completed the second in a series of workshops for the fellowship on Distracting Behavior in December, 2021. The first was on Domineering Behavior. The third workshop will be focused on zoom procedures. Date of third workshop to be posted later.

**The Healthy Meeting Checklist working group** completed their deliverables and submitted the 'Healthy Meeting Procedures for the Newcomer' and for the 'Member with Time in Program.' The full MSSC approved this document to be submitted to IT and the new website design team, hopefully for posting on the website. This document is posted in the MSSC slack channel for viewing.

**Old Business:** The Lit review committee has submitted their suggestions for correction of the APB tent card. The full MSSC will review these suggestions starting in March and present the finalized version of the tent card soon.

Next meeting is March 26th, 2022 at 4 pm Eastern.
