Mission Statement: To address safety issues related to environments during the coronavirus pandemic, and develop a long-term strategy and potential resources to help the ACA fellowship effectively address other safety issues.

This committee meets monthly to coordinate efforts of its subcommittees and discuss their activities. Representatives of the Service Norms sub-committee and Virtual / Phone Meetings sub-committee attend with reports. The full sub-committee reports can be found on their web pages.

Service Norms SubCommittee- We are continuing work on the service norms document and will be finalizing and submitting it to the full MSSC committee for review in the near future.

Virtual / Phone Sub-Committee is continuing to develop their document and process "Action Coming From Love". The Healthy Meeting Checklist was sent from the MSSC Committee to IT for review by the Website Redesign Sub-Committee for inclusion in the adultchildren.org website. It can now be found on that site in the "Find A Meeting" section within the Resources Section.

New business- We will meet on July 16th to discuss a change in structure where we combine all subcommittees back into the main MSSC meeting. MSSC will then meet twice monthly. We believe we will get more accomplished with this structure.

MSSC will meet again on July 16th, 2022 at 4 pm Eastern.
