

Monthly ACA Zoom Workshop June 2023

Getting Started as a Newcomer: Tips and Cautions

Whether you are attending ACA for one of your first six meetings, or you have been around for a while, getting started in ACA can at times be overwhelming and confusing. There are so many books, pamphlets, readings to choose from.

What about getting a sponsor? How does that work? Then there are meetings to attend, phone lists, and service opportunities.

While the workshop won't offer a "one-size fits all" approach, you will hear some tips as well as some cautions about common mistakes. As the saying goes, "you don't know what you don't know" when you get started in ACA. Attending the workshop can possibly help you navigate with more confidence as you become your own loving parent. We hope you'll attend with someone from your favorite meeting.
