**Young Adults and ACA Teens SC Purpose:** We provide support to young adults and teens in their recovery from the consequences of the upbringing in the alcoholic and dysfunctional families to help them keep hope alive and see the ways of more healthy behavior. We believe this can give them chance to be their own people, who will be able not to repeat the abusive models they used to see from their early years.

Highlights:

- We are seeking help from members interested in:
  - A **co-chair** for subcommittee such as helping a chair with the meetings organization, subcommittee work planning and preparing the reports
  - A **secretary** for subcommittee meetings such as preparing the minutes, collecting the contacts of the regular members and informing
  - A **tech host** for subcommittee meetings such as calling on people with raised hands, help counting votes, sharing documents on screen that are being discussed
  - **Outreach** to groups and servants who are/were involved in the ACA Teen work to gather more up-to-date information and gain more help from the interested fellows
  
- At the April Subcommittee was focused on the restarting issues. We made the first organizational steps:
  1. The chair was elected and a few fellows are considering the service or participation in the subcommittee.
  2. The mailboxes were organized to get a easier way to receive and answer the letters.
  
- Two servants from the Russian ACA and Nar-Anon shared their experience and materials for holding the ACA Teens meetings
- Few texts were found and gathered to accumulate the previous experience of the YAT
- The day and time were set for the regular subcommittee meetings
- In May we will outreach the groups and servants who could have the relevant experience and continue to gather more information about the ACA Teens work

Next meeting is Thursday, **June 15, 2023** at 2pm Eastern Time Zoom 2: 87078928342 (321654)  
There will be no meeting in May.
