

Young Adults and ACA Teens Subcommittee of Member Services Committee

Under Fellowship & Public Engagement Collaboration Committee (FPECC)

July 2023 Monthly Report

Young Adults and ACA Teens Meets: 3th Thursday Monthly 2pm Eastern on Zoom 2: 87078928342 (321654)

Chair: Alisa A. teens@acawso.org

Young Adults and ACA Teens SC Purpose: We provide support to young adults and teens in their recovery from the consequences of the upbringing in the alcoholic and dysfunctional families to help them keep hope alive and see the ways of more healthy behavior. We believe this can give them chance to be their own people, who will be able not to repeat the abusive models they used to see from their early years.

Highlights:

- We are seeking help from members interested in:
 - A **vice-chair** for subcommittee such as helping a chair with the meetings organization, subcommittee work planning and preparing the reports
 - A **secretary** for subcommittee meetings such as preparing the minutes, collecting the contacts of the regular members and informing
 - A **tech host** for subcommittee meetings such as calling on people with raised hands, help counting votes, sharing documents on screen that are being discussed
 - **Outreach** to groups and servants who are/were involved in the ACA Teen work to gather more up-to-date information and gain more help from the interested fellows

- In July Subcommittee was focused on the organizational issues:
 1. Young adults and Teens Subcommittee page on the blue site was updated (for the first time after two years)
 2. There was a discussion in MSC about the restructuring the work of Members Service Committee, Regions and Intergroups Subcommittee and Young Adults and Teens Subcommittee to save the servants' efforts and time
 3. Contacted with the servant from Moscow (Russia) who are ready to start a new live ACA Teen group

- One of the goals to start with to make ACA Teen more visible and to give a right picture to the Fellowship of its needs (the Fellowship support)
 - To attract enough servants to YAT SC to be able to make changes
 - To gain the teens interest so they would share their view on the program literature that resonates with them
