ComLine Blog Subcommittee Report, 12/31/2022

- As of this date, twenty-two "issues" of the blog have been published with a total of 181 items that were submitted by members. The blog's home page received 1,881 visits in November, bringing the total number of visits to 21,757 since the first issue on February 1, 2022.

- Thirteen new submissions were received in December 2022, making a total of 198 submissions received since July 2021.

- The December 1 "issue" published 6 items and 3 more were published on December 15. We are continuing to work on outreach efforts to encourage more submissions of articles and other content for the blog.

- Feedback received from visitors has been somewhat sparse (only 50 since inception), but almost entirely positive.
