- Polish (YWB)
- Danish (BRB)
- Spanish (BRB)
- Swedish (YWB)

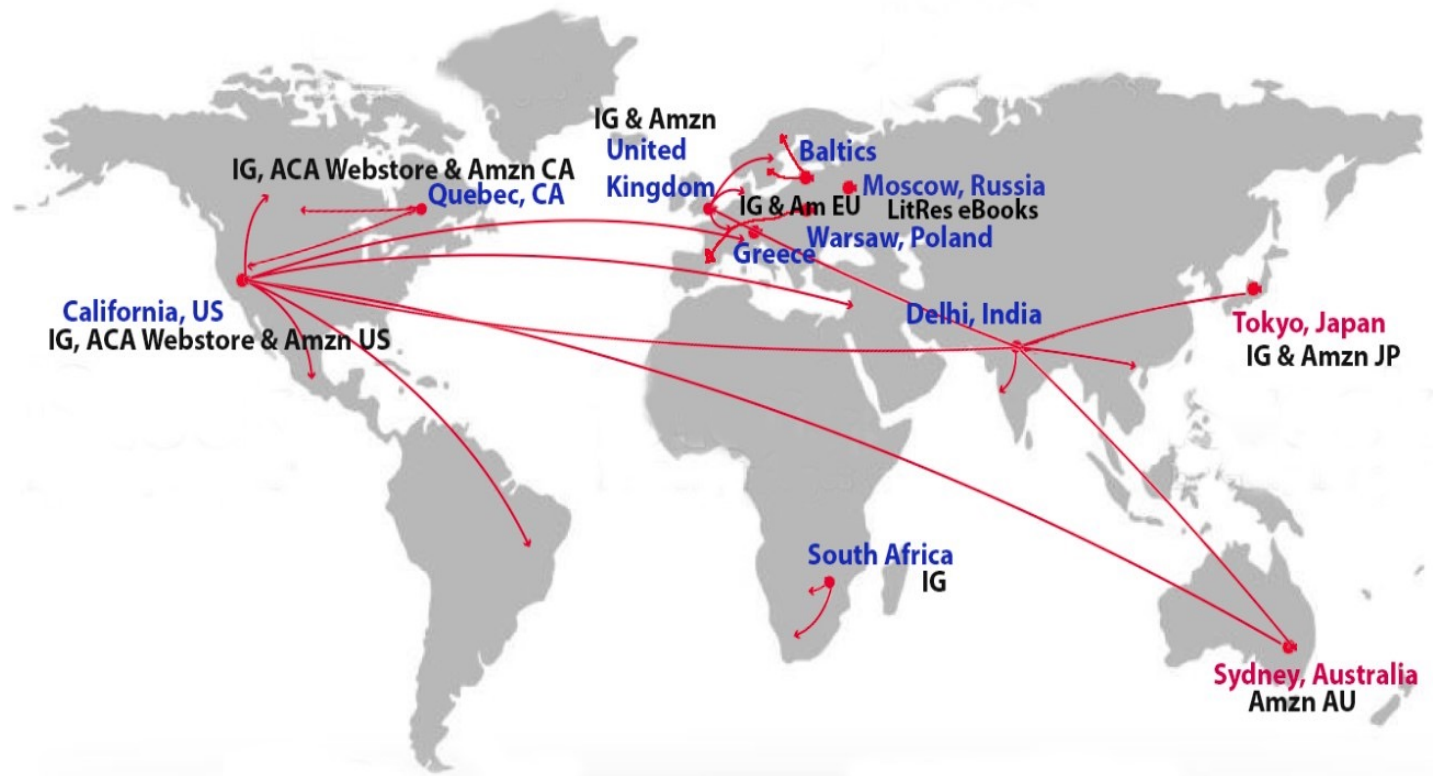

Our Global Distribution Hub Network

In previous year's, an intergroup would support the translation and printing for their local fellowship.

We are no longer a fellowship of 1 language, 1 intergroup or country. We are now a global fellowship with language needs in many countries.

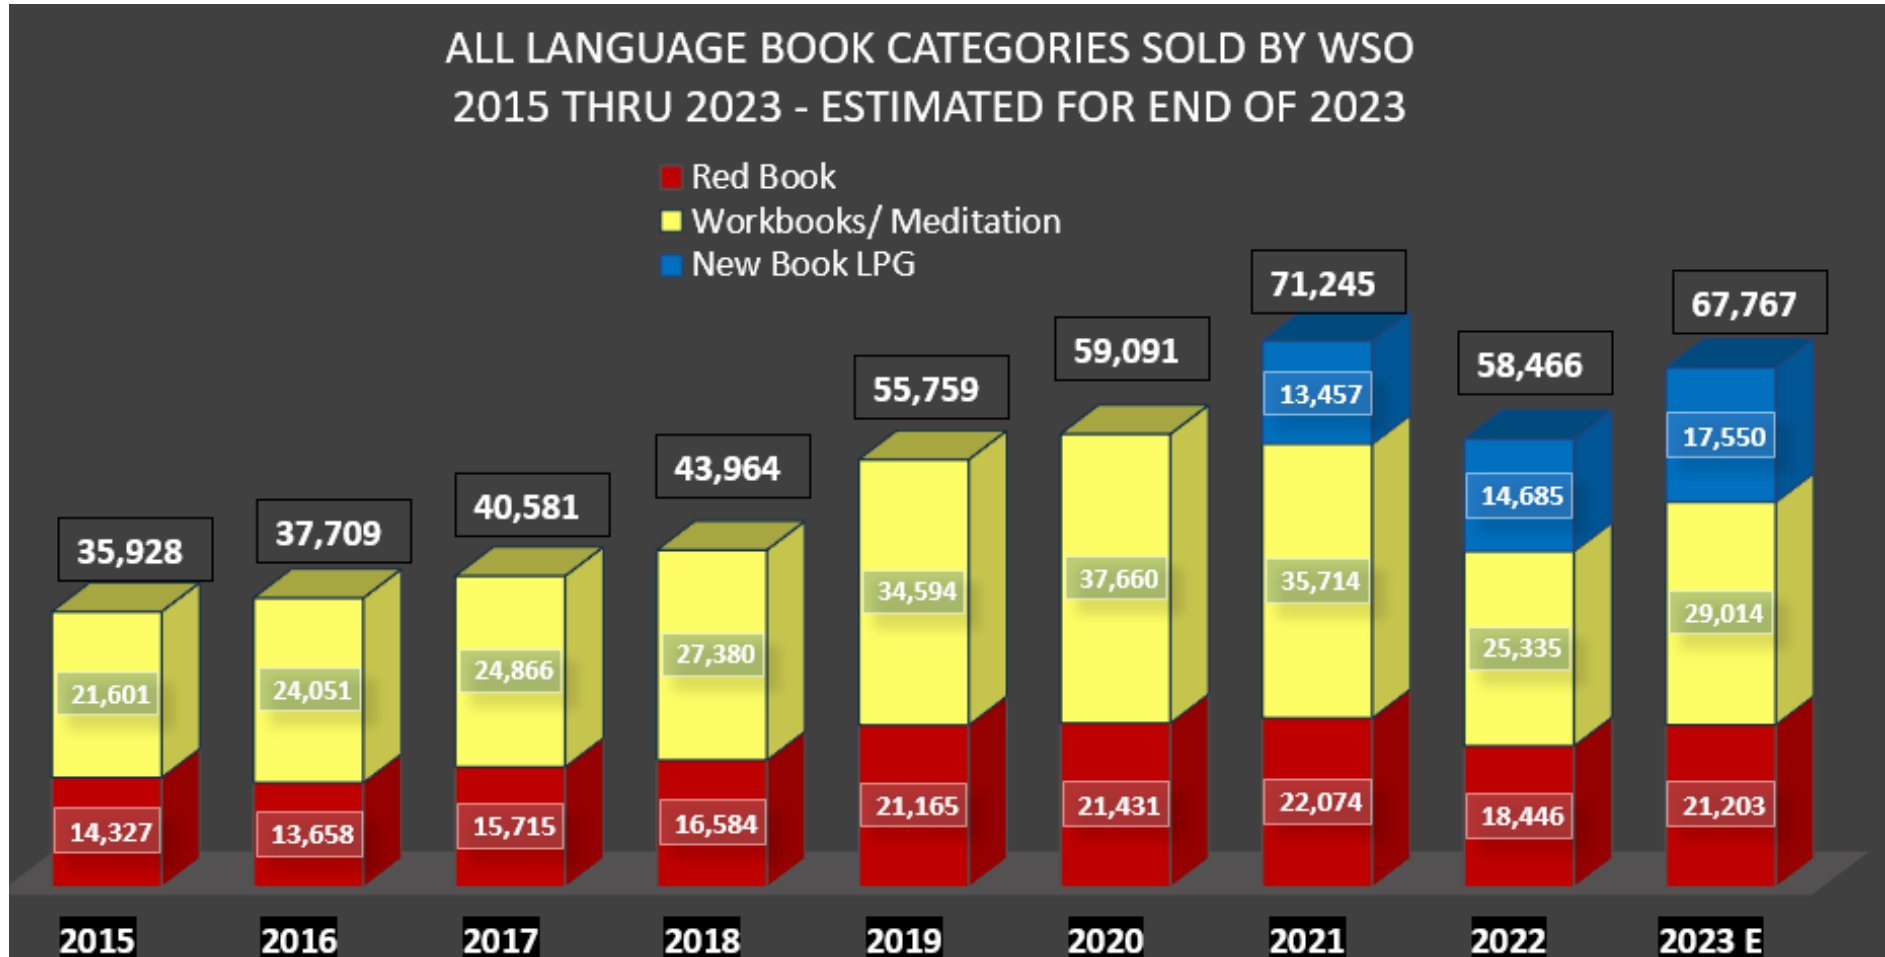

The World Service Organization has the publishing and distribution structure to make this possible at the best possible price!

2023 Print Hub with New Delivery Types and Regions

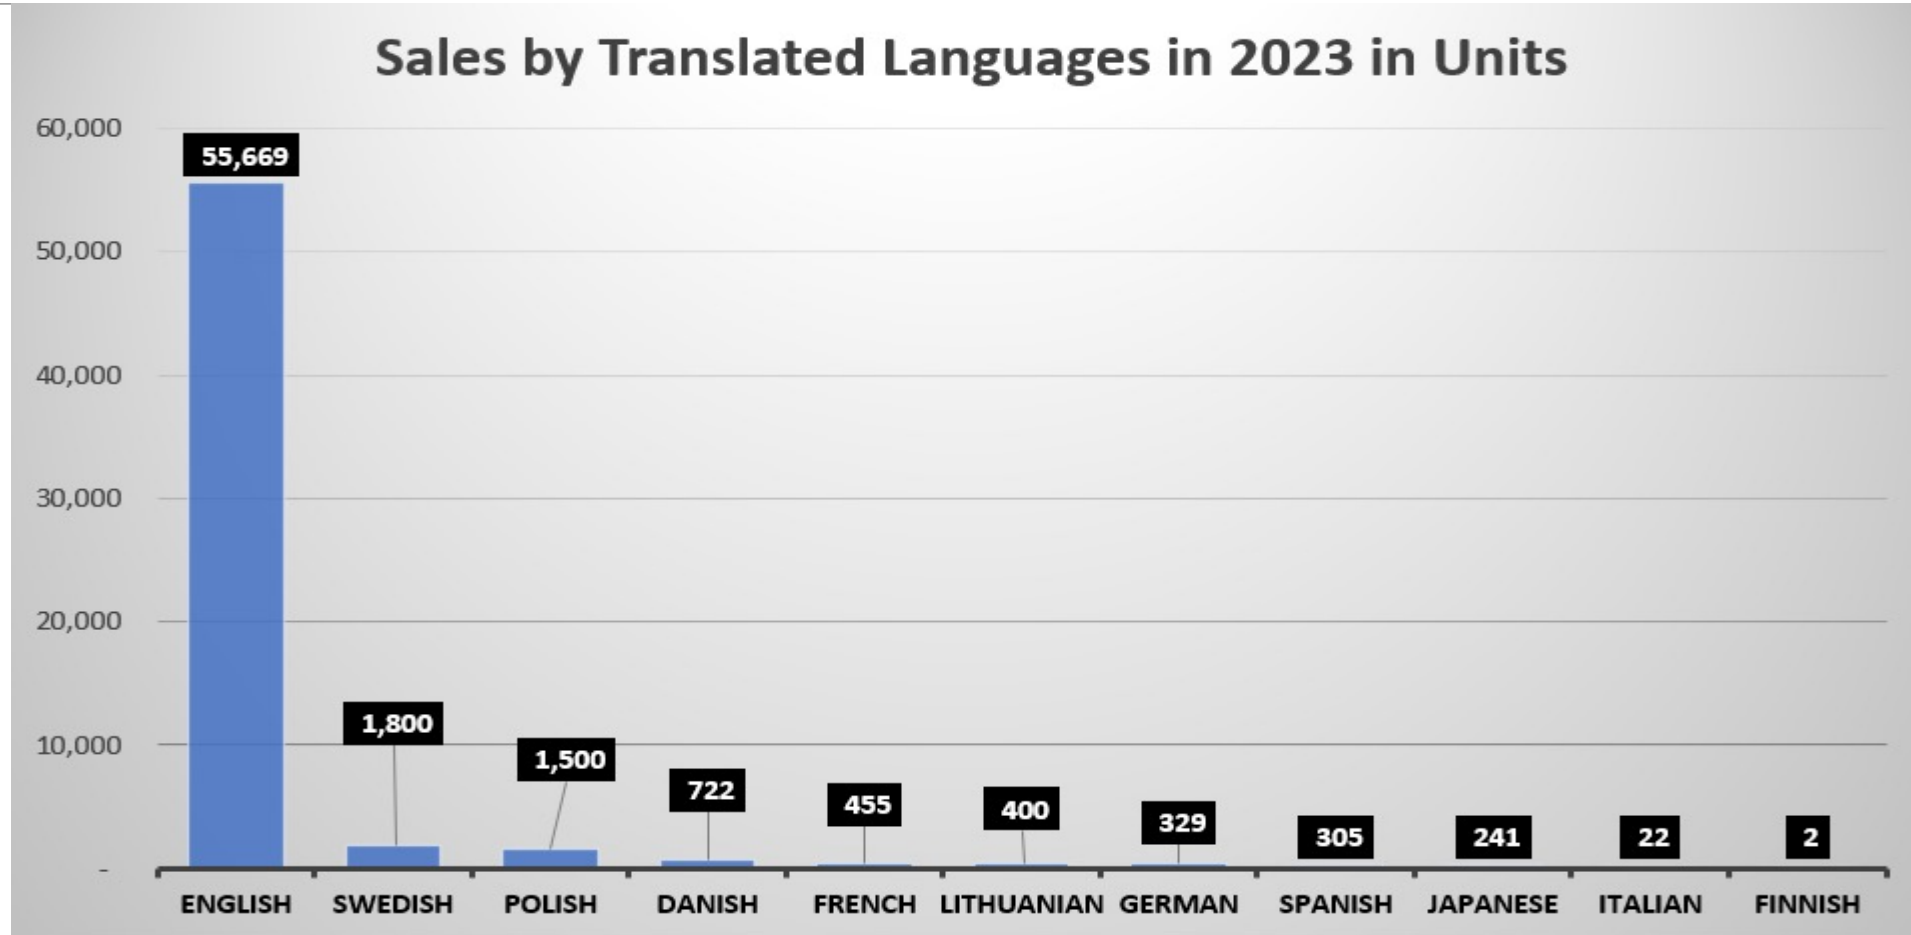

Print Books All Languages Sold by Category 2015 – 2023 Estimated to End of Year

WSO Slack Channel: #literature translations

A light blue thought bubble with a brown outline and a small tail at the bottom. Inside the bubble, the text reads:

Second WSO Translation Meeting is being discussed for the Asian Time Zone!
