Discussion took place regarding the Service Norms Document (SND). We received a suggestion from Sue V of the ACA Board to address QDM with the question of what to do with the document. Our committee will wait to hear from the Board on how they would want the SND to be presented.

An idea was brought up regarding hosting a workshop or in-service meeting to review some parts of the document.

The committee decided to change the frequency of meetings to once per month on the first Saturday and to change meetings length to 75 minutes.

The committee also decided to take 15 min during each meeting to look at old letters to create common themes and a library; while inviting members to review letters on their own between meetings.

We also responded to the emails we receive from people within the fellowship.

Next meeting is February 3rd, 2024 at 4pm Eastern.

Happy New Year!
