NOTES ABOUT THIS BOOK OF MOTIONS

The period from October 1994 through April 1996 is being re-created by Charles P., the Treasurer-elect for 1997-8. The re-creation is from information from former officers. This was a period of turmoil. Because of financial shortages which resulted in accumulation of un-passed Motions which resulted in an "illegal" mail-in ballot sent out on 9/3/95. There were only 5 responses to the ballot. The results are noted as 9/3/95 votes...Charles P.

Consent=Unanimous Vote

Motion numbers have been added for those motions without, and some motions have been rearranged to a different spot in the lineup to make things more orderly. There were two similar versions of the motions. To see the original configuration, go to APPENDIX A and APPENDIX B to see the original documents. Marcia J.

Note from the November 10, 1995 Chair Report page 2: BALLOT RESULTS

As a short while ago I now have the completed vote of five Trustees. I will provide (hopefully) a more complete summary but for the present here are the results. Please number the 32 listed proposals to simplify my tabulation.

- *Items 2, 15, 24, and 30 did not require a yes or no vote, and there was no exception to my comment.*
- *Items 3, 6, 8, 13, and 14 were approved by consent.*
- *Items 9, 10, 11, 12, and 16-27 passed.*
- *Items 1, 4, 5, 25-29, and 31 failed. (??)*

When I finish providing a more comprehensive report all Ballots will be submitted to the office for filing. It was not a factor in tabulating the ballots, but I want to note that the net effect of an abstain vote is counted in the total vote cast to determine the majority vote.

Please number the 32 listed proposals to simplify my tabulation. Item 12, 15, 24, & JO did not require a yes or no vote and there was no exception to my comment. Item 1, 6, 8, 13 & 14 were approved by consent. Items 9, 10, 11, U. 16-27 passed. Items I, 4, 5, 25-29 & II !!!!!!- (??) When I finish providing a more comprehensive report all Ballot will be submitted to the office for fdng. It wal not a factor in tabulating the ballots but I want to note that the net effect of an abstain vote is counted in the total vote cast to determine the majority vote."
