

## Monthly ACA Zoom Workshop March 2024

### Easing Into Service at Your ACA Home Group

(60-minute workshops start at 10am EST both days)  
(Zoom Link: <https://us02web.zoom.us/j/89963266242>)

The Big Red Book talks about doing service in Chapter 10. In this workshop we will present a step-by-step ladder of service that makes it easy for an ACA to see what their next kind of service can reasonably be. Rather than jumping from attending a meeting to being the group Secretary, we will lay out several intermediate steps so the ACA can get out of their service comfort zone without getting into their overwhelm zone. We'll touch on something called a "Service Sponsor" so the ACA doesn't bite off more than they can chew. The how and why of Service Rotation will also be explained.
