Volunteer Resource Committee (VRC)
Program Calendar, as of May 1, 2024

This is a tentative calendar of the 3 primary events and activities offered by the VRC:

Consider Service

A 90 to 120 minute presentation highlighting the service journeys of WSO volunteers, as well as spotlighting some WSO committees and the overall committee framework. Included will be opportunities to ask questions and to briefly be introduced to the WSO websites and Slack.

A WSO Field Trip

An organized visit to a scheduled WSO Committee meeting. Opportunities to discuss our impressions provided afterward. Supportive material and mentoring could be explored. Possible featured committees: IT, Global, Literature, Member Services, AWC.

Meet & Greet *(held monthly)*

Every second Saturday of the month, before the Board Meeting with Fellowship, if scheduled. This is a time for ACA members, Group Delegates in particular, to raise questions about service at WSO.
