

The ACA WSO Volunteer Resource Committee
Invites you to join us on a series of service adventures

Hello Friends -

The anxiety is gone as you join a small group of friends to experience the meeting proceedings of a WSO Committee. We will all learn about their projects and processes. We may even be inspired to volunteer in service to the committee.

This is so exciting! An ACA WSO Field Trip is an opportunity to learn and have fun. These adventures will be offered a few times throughout the year. The choice of committee to explore will be based on the interests of the adventurers. We may be able to get involved with the committee work, offering our experience, strength and hope. Opportunities abound.

WHEN: Each Field Trip will be planned around the time of the scheduled committee meeting.

WHERE: On Zoom. WSO committees conduct their business on both Zoom and Slack.

WHY: Generally, this will be an opportunity to experience the world of WSO committees. More specifically, we could consider the opportunities to volunteer on that particular committee.

HOW: It's simple - just dial in. And before we go, we can read about the committee on their webpage, have a little 'huddle' on Slack before the committee meeting (that's something to learn about - huddles), maybe have a representative of the committee meet with us beforehand... we could even schedule a time for us to meet after the committee meeting to compare our impressions. Again, lots of opportunities.

So, keep a lookout on the **#_go_here_first** channel on Slack and on the webpage of the Volunteer Resource Committee, <https://acawso.org/vrc/>. And when you have the opportunity, sign up to join us on a **WSO Field Trip**. We'll certainly learn something.

If you have questions, please write to us at, vrc@acawso.org.
