Did You Know The 7th Tradition Plays A Crucial Role In ACA?

The 7th Tradition is a fundamental aspect of the Adult Children of Alcoholics/ Dysfunctional Families (ACA) program. Members contribute to group, intergroup and World Service expenses, fostering a sense of responsibility and self-sufficiency. By not accepting external donations, ACA maintains its integrity and avoids potential conflicts of interest.

Twelve Concepts of Service - Concept VI

On behalf of ACA as a whole, our Annual Business Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Annual Business Conference also recognizes that the chief initiative and the active responsibility in most of these matters would be exercised primarily by the Trustee members of the World Service Organization when they act among themselves as the World Service Organization of Adult Children of Alcoholics.

You can find the [12 Concepts of Service here](#).

Daily Meditation Emails

ACA WSO also publishes a daily email with the Meditation of the Day from the book "Strengthening My Recovery". You can sign up to receive the [meditation email here](#). You will need to sign up for this separately from The Traveler Newsletter email.

About Adult Children of Alcoholics (ACA)

ACA is a worldwide 12 Step / 12

Tradition program of recovery dedicated to people who were raised in dysfunctional families. ACA does not seek to assign blame to parents or caretakers, but we seek to understand the reality of how family dysfunctions affected us as children and still affects our adult behavior today.

Family dysfunction can include alcoholism, abandonment, neglect, or any type of addiction or abuse. ACA is synonymous with ACoA & Adult Children of Alcoholics and Dysfunctional Families.
