Meeting ID: 910 4023 7260

Passcode: 383161

The ACA Business Conference has authorized a revision of our fellowship's 12 Concepts of Service. Please join a special town hall on Sept. 7th to give your thoughts and reactions to our first proposed changes.

From the BRB:

Twelve Concepts for ACA World Service

The Twelve Concepts keep our world services and groups focused on carrying a consistent ACA message while maintaining a service structure responsible to

the fellowship voice. The Concepts help trusted servants discern the will of ACA and carry out the responsibilities granted by the fellowship.

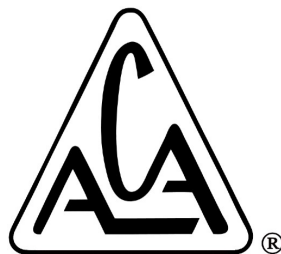

The September 7th Town Hall will be a forum for discussion on the new proposed language for Concept II. This proposed language strengthens the role of the Conference in representing the fellowship.

We would love for you to be there to ask questions and offer feedback on the proposed changes

You also can look at our web page, to learn more about the Concepts revision project: <https://acawso.org/concepts-study-ad-hoc-committee>.

Please join us. Your participation is essential!
