Dear Fellow ACA Members,

The ACA WSO Board of Trustees commissioned a required financial audit for the **2024** fiscal year when the end of year finances indicated that ACA WSO would generate more than \$2M in revenue.

The auditor, Brett Bradbury, from Long Beach, California, USA was hired as a completely independent accounting firm and who has no affiliation with WSO, the trustees, or employees.

We are pleased to present the Audited Financial Statements and Management Letter to the membership. We are happy to report that the **2024** audit had a significant reduction in findings as compared to the previous audit conducted for **2023**.

The links below provide access to the audited financial statements and the management letter.
