1	**INTRO / Purpose of Charter**	**1st-pass Draft Language APPROVED**		2026-04-15	The ACA World Service Conference Charter is a body of principles and relationships through which ACA as a whole functions, providing a framework for Conference decision-making and outlining mutual obligations and responsibilities between the Conference and the WSO. The Charter is an informal agreement between the ACA Fellowship, as represented by the Conference, and the ACA World Service Organization regarding their relationship. The provisions of this agreement are traditional and are intended to reflect the spirit of the ACA Traditions and the Twelve Concepts for World Service.

5	**Conference Relation to the WSO Board of Trustees**	**1st-pass Draft Language APPROVED**		2026-09-08	As the group conscience of the Fellowship, the ACAD World Service Conference functions as guide and advisor to the ACAD WSO Board of Trustees on all matters affecting ACAD as a whole. The WSO Board of Trustees is a Service Arm of the World Service Conference. The Conference shall have final approval of all large matters of policy and finance, per Concept 6. The Conference shall also have final approval over what constitutes a large matter of policy and finance. The Board will keep the Conference promptly and consistently informed of matters of policy and finance they are working on and/or plan to work on, to enable the Conference to make such decisions. A quorum shall consist of two-thirds (2/3) of all voting Conference members registered and present at that meeting of the WSC (ABC or CBM). There must also be at least twice as many voting delegates from the Fellowship (meetings, intergroups, and regions) present as the number of voting members of the WSO present. As a matter of tradition, a 2/3rds vote of Conference members (excluding abstensions) at a Conference Business Meeting shall be considered binding upon the World Service Board of Trustees, provided the total vote (including abstentions) constitutes at least a Conference quorum. However, no such vote ought to impair the legal rights of the Board to conduct routine business and meet its legal and fiduciary obligations. When the reorganization of the Board of Trustees and/or staff is deemed essential by the Conference, regardless of the legal prerogatives of the Board of Trustees, as a matter of tradition, a three-quarters (excluding abstensions) vote of all registered and present Conference members participating in such a particular vote will be sufficient to implement such reorganization, provided the total vote (including abstentions) constitutes at least a Conference quorum. Under such a reorganization, the Conference may request resignations, may nominate new trustees, and may make all other necessary arrangements, regardless of the legal prerogatives of the Board of Trustees.
